Re: Project Indigenous Restoration 1992

Dear Danny,

I would like to confirm our commitment to attend the Project Indigenous Restoration 92 on April 19,20,21,and 22nd 1991. We attended the conference last spring and it was very profitable for us as it was for everyone, I am sure.

The Innu Nation welcomed the ten thousand dollars (10,000.00) contribution received from The Artist/Environment Forum for our participation during the Project Indigenous Restoration. The money was used to build a community clinic which is another step in rebuilding the lives of our people. In order to regain confidence and to start healing in our communities we have to take steps in rebuilding our Society, and part of that is health services.

We are honoured to be asked again to be apart of this very important annual event. We all know Mother Earth is dying, and we all have a responsibility to stand up and protect her.

In Friendship,

Peter Penashue
President
Innu Nation
